

ALCOHOL SERVICE POLICY

The Furth Center allows the facility user to provide alcoholic beverage service only if the facility user can demonstrate that they are able to follow the requirements as outlined in this service policy. The Furth Center will work with the facility user to successfully conduct alcoholic beverage service. However, the Furth Center has the responsibility and authority to close the bar at any time and/or terminate an event if problems occur.

Private events that do not require an ABC license include any private function that is free of charge to the guests and is closed to the public.

Acknowledgement by facility user to accept full responsibility for alcoholic beverage service:

- Events are limited to serving alcohol for no more than five hours.
- There must be bartenders dispensing alcohol who are not consuming alcohol themselves.
- Guests are only allowed to receive two drinks per service.
- All alcohol must be dispensed from the bar. No service or bottles at tables.
- Alcoholic beverages must be served in clear cups. Facility user must provide the cups.
- Food must be served during the time that alcohol is being served and alcohol must be less than 50% of the selection of all beverages being served.
- The facility user must inform the Furth Center of all types of alcohol being served. No additional alcohol may be brought in and served without prior written approval from the Furth Center.
- Guests cannot bring in their own alcohol. Guests caught bringing in their own alcoholic beverages can be ejected from your event and the alcohol confiscated.
- The facility user must provide security if alcohol is being served.
- Kitchen help must not consume alcohol.
- The Furth Center does not allow individuals under the age of 18 years old to work at an event where alcohol is being served.

By signing this agreement the facility user acknowledges that they have been informed of our alcohol service policy. (Required 30 days prior to your event.)
